If an eligible junior is not present to collect the gift from the Competition Presentation, reasonable attempts will be made to contact the Junior entrant and the gift will be held at the Leopold Angling and Aquatic club rooms until 31/12/2025.

If the gift is not collected before 1/1/25, the junior entrant will be ineligible to collect the gift.

PRIZE CATEGORIES JUNIORS:

JUNIOR 1ST PRIZE: LONGEST SNAPPER (minimum 30cm nose to fork length)

JUNIOR 2ND PRIZE: AGGREGATE | Total fork length of longest 3 fish (minimum 30cm fork length)

Any junior competitor is eligible to claim only one (1) of the above two (2) prize categories. Where a competitor is eligible for a second category, that prize will be awarded to the next eligible competitor in the second category.

All fish must be entered using a commercially available brag mat. Brag mat must be flat and clearly show length of snapper as per point 3 under "Photo Submission Rules" in the Event Terms and Conditions below.

The first 100 eligible Entrants will be eligible to receive a free 2025 Competition Brag Mat thanks to **Bang Packaging** which will be available from the club. If you cannot make it to the club please contact the club via its email address for options to collect the brag mat (**CONTACT US**)

Event Terms & Conditions

1. The 2025 Geelong and Bellarine Snapper Classic fishing competition ("the competition" or "the event") is deemed to signify acceptance of and compliance with all terms, conditions and rules of this event.
2. Acceptance of and compliance with all terms, conditions and rules of the competition deems the entrant eligible to compete and accept prizes where applicable.
3. All entrants must comply with the current marine safety, Victorian fishing and boating regulations and local waterway rules where applicable as well as all other laws.
4. Any behaviour compromising the enjoyment of competitors during the competition, broadly, may result in disqualification.
5. Australian snapper, *Chrysophrys auratus*, is the only fish eligible for entry.
6. If required, rules may be amended in the spirit of competition to improve the event as it evolves. Updates will be communicated to competitors by email/ social media posts.

7. The competition is conducted with an emphasis on fun, fairness, participation, enjoyment, and sustainable fishing practices. Any participant who is deemed to compromise this may be disqualified or have their entry rejected, rendering the competitor ineligible for prizes.
8. This competition is open to AMATEUR recreational fisherpersons only, where a person who is or has been involved in professional or commercial fishing with an increased skill level from those activities will NOT be eligible to enter.
9. Any entrant deemed to be gaining advantage from a person identified in point 8 are also at risk of disqualification.
10. All competitors, unless exempted under "Victorian Recreational Fishing Regulations" must have a current Victorian fishing license and are required to show a legal recreational fishing license on request by organisers for eligibility of prizes.
11. Fishing is restricted to the confines of Port Phillip Bay and Corio Bay. Snapper caught outside this area will not be eligible for the competition.
12. In the event of any disputes, the known facts will be reviewed and discussed between the competition committee and club president where a final decision will be reached. There will no further discussion with any dispute raised after the final decision. Any behaviour compromising the enjoyment of competitors during this decision making process, broadly, may result in disqualification.
13. All fishing anomalies will be managed by the event organisers.
14. The event organisers may consist of the club president and the committee involved with organising the 2025 Geelong and Bellarine Snapper Classic or delegates
15. Observation of all marine, boating or fishing safety issues which may impact the participation in a way that threatens the safety of entrants, including weather conditions, is the responsibility of entrants - except where an authority (e.g. coast guard) overrides participant observations.
16. The competition may be cancelled on account of extreme weather conditions (determined by the coast guard, water police or relevant authority) or unforeseeable issues.
17. If the event is cancelled in accordance with point 15, the competition may be rescheduled at a later date. Entry fees (only) will be refunded where required.
18. Prizes are only available to eligible competition entrants unless otherwise announced by competition organisers.
19. The competition will be judged on the length of the fish measured from the tip of the nose to the centre 'fork' in the tail (fork length) on a commercially available brag mat.
20. The minimum entry fish length is 30cm 'fork length'.
21. The measurements of the fish must be clearly visible and a photograph is to be taken via the tournament app selected for the event. Photos being uploaded from a photo library or similar on a phone is prohibited and will result in disqualification of the fish that is the subject of the photo.
22. Measurements will be rounded to the next higher complete centimetre (i.e. 54.7cms will be 55cm).
23. Where multiple fish submitted are of the same length when measured as per the event's measuring rules, the fish submitted first will be deemed to "beat" any other fish submitted after it where they are the same length.
24. By registering for and entering the competition, you agree that your data may be used by sponsors and LAAC for marketing purposes as part of your support to the prize donors/sponsors for the competition and competitors.

PHOTO SUBMISSION RULES

1. "Catch and release" is encouraged and the utmost care should be taken to ensure a safe return to the water of captured fish.
2. Snapper must be photographed using the track my fish app on a commercially available brag mat, which is to be placed or mounted on a flat rigid surface.

3. Wrinkled/folded mats that, by opinion of judges, give the illusion of inaccurate measurement of the fish in the photo will result in that photo being rejected.
4. Fish length must be clearly visible in the photograph. If the fish's fork length is not clearly visible, the judges may reject the submission.
5. The smartphone or camera used to take any images of snapper submitted in the event may be inspected by organisers if requested. Failure to present camera or smartphone used to take the image as requested by the judges, event committee or delegate may result in disqualification from the event.
6. All submissions of photos give the event organisers permission to use photos on social media platforms and promotional material.
7. All entries that do not meet these requirements or requests will not be considered.

Tips to ensure your photo and fish are accepted

- Clean the camera lens, position the camera directly above the fish and as close as possible to show the full length of the fish plus the brag mat measurements.
- Make certain it is in focus.
- Make sure you have a way of including the daily code in your photo e.g. note pad and pen in the boat at all times.
- Don't forget a happy snap with the angler holding the fish!
- Check the picture meets these requirements before you upload it.
- Take the photo again if it is not suitable

4. Participants will be bound by the regulations governing the competition and adhere to LAAC code of conduct. Refer below.

LEOPOLD ANGLING AND AQUATIC CLUB ("LAAC", "the club")

CODE OF CONDUCT FOR LAAC MEMBERS, VISITORS AND OTHERS

Membership of LAAC is a privilege and carries with it a responsibility to uphold the club's reputation and standing in the community at every opportunity.

There are many users of the LAAC facility, therefore Members, Stakeholders, Visitors or others may not engage in conduct that brings disrepute to LAAC or is contrary to the Constitution and By-Laws of LAAC. All,

however so involved in LAAC have a duty to ensure that they cause no adverse impact on any of these users because of their actions at LAAC or in the wider community and environment.

Members, Visitors and Stakeholders must behave in a manner that facilitates, enhances and ensures the:

- reputation and standing of LAAC;
- amenity of other Members of LAAC;
- health, safety and comfort of staff employed at LAAC;
- enjoyment of visitors to LAAC; and
- physical property and facilities provided by LAAC.

Members, Visitors and Stakeholders shall not engage in conduct that:

- breaches accepted standards of public behaviour or the law;
- jeopardises the health and safety of Members, Stakeholders and Visitors;
- causes offence to Members, Staff, Stakeholders and Visitors;
- lessens the amenity and enjoyment of Members, Staff, Stakeholders and Visitors;
- damages, destroys, or lessens the value of LAAC assets;
- damages, destroys, or lessens the value of property owned by other Club Members; or facilitates the publication of material and/or comments (on any platform) that is obscene, defamatory, threatening, harassing, discriminatory, brand-bashing, hateful, disparaging or unfavourable about the Club (and/or is likely to bring the Club into disrepute or ridicule) and or about any other Member, Visitor or Stakeholder including its officers, directors, employees, agents, clients, partners, suppliers, competitors or contractors.

Any Member, Visitor or Stakeholder bringing the Club into disrepute may be subject to disciplinary action in accordance with Rules of the LAAC Constitution. Any Visitor or

Stakeholder breaching this code may be asked to leave the premises immediately. Any Visitor or Stakeholder who does not recognise or demonstrate an ongoing understanding of this code of conduct may be asked to stay away indefinitely.
